Root Rocket Parents:

It's hard to believe we are almost to the half way point of this school year. We would like to take this opportunity to update you on some information about our school-wide positive behavior plan or BLAST.

We had our first "Blastronaut" parties of the year with almost 235 students in attendance. We were so pleased to have that many students reaching our behavior goals for the first 12 weeks of school. Since we are now well into the second quarter of school, we are going to continue to raise the bar for behavior expectations. Starting this next 12 weeks, we will set the following goals for a student to become a Blastronaut:

2nd – 4th: A student who receives 5 gold cards, 5 silver stars or a combination of both totaling 5 will be allowed to attend a Blastronaut Party at the end of each 12 weeks

K-1st: A student who receives 10 gold cards, 10 silver stars or a combination of both totaling 10 will be allowed to attend a Blastronaut Party at the end of each 12 weeks

A student receives a gold card if they stay on green for a whole week (Mon-Fri) in K-2 (2nd grade first semester) and for 2 whole weeks in 2nd-4th (2nd grade second semester)

As a reminder, here is how the classroom behavior system works:

We appreciate your continued support in helping us to encourage our students to reach their behavior goals and setting the example of what it means to be a Root Rocket!
